

Dear Readers

Thanks for downloading our Profile

SS GRANITE was founded more than 7 years ago on a revolutionary idea: Every invention, every product, every breakthrough has been powered by generations of employees who are inspired to make a difference. Founded on 2001 as RESOURCE GRANITE then changed as RJ EXPORTS on 2005. Now it is termed as SS Group Of Companies. Icon brown granite was first introduced and promoted to the world by a eminent entrepreneur **Mr. Srinivasn Sridhar**. Under his great leadership and vision SS GRANITE has crossed the Milestone. remained synonymous with a steadfast commitment to quality and service. It is this commitment, combined with adaptability in the marketplace that S.S Granite credits for its longevity, growth and prosperity. When you purchase granite products from S.S Granite, you are buying directly from the source.

Explore our Rich History as well as the recent Advances from our companies:

S.S GRANITE is a Single-Source Supplier

Because we provide our granite products from our own quarries purchasers of our rough quarry blocks and cut-to-size architectural/dimensional granite products know they can rely on Fletcher Granite to offer a rare level of reliability, quality control, timely delivery and economy to best satisfy their needs. Our state-of-the-art facilities and processes enable us to provide granite faster, more efficiently, more reliably and more affordably than ever before to ensure that a project is completed on time and with the craftsmanship and quality specified.

Growth & Expansion

Our company has experienced astonishing growth over more than 7 years. We've grown through innovative ideas, products and services that make a difference in people's lives. And we've grown through global expansion

People Who Made a Difference

Behind every invention or new idea we've introduced stands a team of people, their passion and a story. We'd like to share a small sample of those people and their stories

Our Values

Integrity:

Integrity is the foundation of our business. We will adhere, individually and collectively, to our commitments, our values, and the ethical conduct of our business

Sustainability:

We are dedicated to the environment and maintaining lasting, mutually beneficial relationships in all aspects of our business

To **Customers**, we are committed to providing quality products and services that consistently represent an exceptional value and result in high customer satisfaction

To Our **Investors**, we are committed to creating value and consistently delivering outstanding financial returns.

Results:

Customers, Society, Employees, and Investors will Measure us by what we deliver. We will relentlessly pursue outstanding results that meet our company goals and objectives
